SUMMARY

A growth partner for ambitious brands, connecting marketing, design and web into systems that compound. The work spans brand identities, demand engines and websites, built alongside founders and leadership teams across healthcare, global expansion, real estate and D2C. Founder of Pixeldrive.

EXPERIENCE

Digital Content & Marketing Specialist

May 2024 – Present

Innobot Health

Runs the full demand engine for a US revenue-cycle-management company: automated LinkedIn outreach with Expandi, email at scale with Instantly.ai, SEO, and paid media across Google, Meta and LinkedIn, plus the brand, infographics, social content and website that carry it.

Digital Content Marketing Specialist

Jul 2024 – Present

InSource Expansion Group

Built the brand from a blank slate for a global expansion company, the website, SEO foundation, content and identity, and drives the campaigns behind it: performance and keyword strategy, blogs, ads, and LinkedIn outreach that converts.

Founder

2018 – Present

InCubical

A studio spanning design, marketing and web. Grew from local design work in Mysore into an end-to-end practice that takes brands from idea to launch to growth.

Head of Marketing

Sep 2022 – Feb 2024

M & S Associates

Owned brand and growth for a real-estate firm. Built the website (React, Firebase), ran ads and lead generation, and positioned M&S to stand out through research, targeting and sharp creative.

Product Marketing Specialist

Jul 2020 – Aug 2022

Malnad Herbals

Shaped a natural, cruelty-free beauty brand end to end: packaging, promotional and social creative, an SEO-friendly site, and Google and Meta campaigns that turned attention into sales.
